WHO WE ARE

Welcome to the world of La Mienne

At our core, we want to give people access to beauty services for anything life has in store—big events, nights out, you name it—all at your own convenience. But in doing that, we've realized we can do something much greater: provide the best mobile services possible while empowering freelance Beauty Artists to be their own entrepreneurs. We're giving you more than just beauty services; we're curating a beauty community.

BEAUTY AS YOU LIKE IT.
